

For the fun of flying.

FLIGHTCOM

F20

Enlightened technology in a lightweight product - that's our classic F20. The stereo/mono switch ensures audio compatibility with any intercom system. It delivers great stereo sound. The rounded foam ear cushions make it easy on the ears. As close to weightless as you can get (without going into space).

F20 Specifications

Weight:

4.6 oz.

Noise Reduction**Rating:**

30dB when wearing the included ear plugs

Microphone:

Noise-canceling electret

Ear Seal:

Cloth-over foam

Characteristics

Comfort:

So lightweight you'll forget you have it on. The foam cushioned ear pads are soft on the ears. Not bulky or awkward to use.

Innovation:

Manufactured using extremely lightweight materials. Great stereo fidelity - sounds terrific with music. Adjustable flex boom allows you to position the microphone right where you want.

Noise Reduction:

Ear pads fit snugly over ears with gentle cushioning. Combined with ear plugs they help keep outside sound...out.

No Risk:

Fly 'em and Try 'em for 30 days, no risk. We know you'll love your headset. If not, return it within 30 days for a full refund.

Three-year warranty.
